

Cade Skywalker and Jariah Syn

Cade is the main character in the Legacy Comic series and Syn is his being his best friend. Both are kind of Han Solo-esc pirates that wind up battling the Sith somewhat against the their will as the Sith hunt him down to use Cade's natural ability to Force Heal for their dying leader.

Syn has a liking for using Vong Bugs to weaken his foes, while Cade goes in for the kill with his lightsaber or using Force Healing to make wounds worse rather than healing them.
