3\*

Gungan

WESA WARRIORS

Play when attacking or defending.

Add 1 to the value of this card for each Gungan adjacent to this card. If all other Gungans have been destroyed, the defence value of this card is 4.

4\*  
Defend

Shieldbearer

PLASMA REBOUND

Play when Shieldbearer defends.

When defending a ranged attack, the Shieldbearer takes no damage and may discard any number of cards up to the value of the attack. The attacking character receives that much damage.

4\*  
Defend

Shieldbearer

PLASMA REBOUND

Play when Shieldbearer defends.

When defending a ranged attack, the Shieldbearer takes no damage and may discard any number of cards up to the value of the attack. The attacking character receives that much damage.

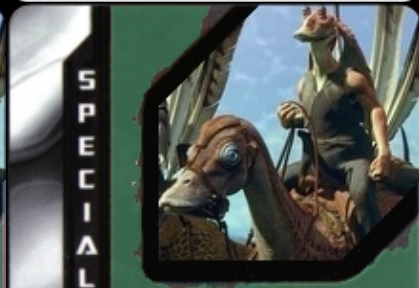

SPECIAL

Kaadu Rider

KAADU CHARGE

Play anytime on your turn.

The Kaadu Rider may move up to 5 spaces and may attack each character adjacent to any of the spaces once. If 3 or more characters are attacked, playing this card counts as 2 actions.

SPECIAL

Kaadu Rider

KAADU CHARGE

Play anytime on your turn.

The Kaadu Rider may move up to 5 spaces and may attack each character adjacent to any of the spaces once. If 3 or more characters are attacked, playing this card counts as 2 actions.

Attack  
4

Kaadu Rider

ELECTROPOLE ATTACK

Play when Rider is attacking.

If this attack causes damage, the defending character may not move, defend or attack until the next Gungan Squad turn.

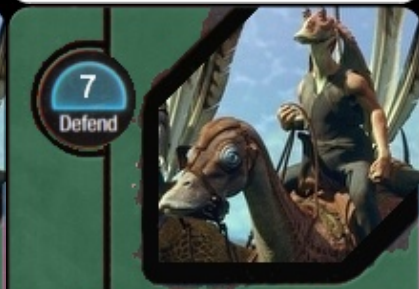

Attack  
4

Kaadu Rider

ELECTROPOLE ATTACK

Play when Rider is attacking.

If this attack causes damage, the defending character may not move, defend or attack until the next Gungan Squad turn.
